Reach Your VA Care Team Over Live Video with VA Video Connect

Real-Time access to VA care in a way that works best for you!

VA Video Connect (VVC) allows you to see your provider in the comfort of your own home. Use any smart device, as long as it is connected to the internet.

You can use VA Video Connect for any appointment or consultation if:

You live far away from your VA facility.

You're dealing with health conditions that make it difficult to travel to the specialist you need.

You have a few minor questions for your doctor that can be answered over live video.

You don't have time to attend an in-person appointment.

A hands-on physical examination is not required.

VA Video Connect (VVC) requires 3 simple steps:

❶ Make a VA Video Connect (VVC) appointment by calling your provider at 414-384-2000 (or toll free at 1-888-469-6614. An email invitation will be sent to you confirming the date/time of your appointment.

❷ Open the email invitation and click on the link in the email.

❸ The directions provided in the link will lead you through a couple easy steps.

Once you complete these steps you will enter into a virtual medical room with your provider.
